VOLUNTEER GROUNDS KEEPING!

Our first volunteer greens keeping day of the year was held on June 28. The “crew” spent the morning clearing brush on the right side of the eighth green, part of our plan to permit more air to circulate around that area. This in turn will naturally improve the green’s health and turf quality. **Special thanks to John Hasen, Andy Hunt, Todd Mann, Bill Rowell and Rick Ely, as well as Course Superintendent Steve Parker and his team members Jeremy Benway and Cody Wright.**

The next volunteer greens keeping day will occur on the morning of **Wednesday, July 19**. We plan to continue our work in the woodland between the seventh and eighth holes. Please consider joining us, bringing along with your work gloves and, if you own them, your lopping shears (we can provide tools to those that don’t have them). We meet in front of the Pro Shop and will spend about two and a half hours working on the project, with hot dogs and hamburgers available afterwards for all participants. Sign up at the Pro Shop! THROW-DOWN AND BBQ A HUGE SUCCESS!

With iffy weather forecasts all week, we were a little on edge when the rain came Saturday morning but it cleared and fingers were crossed! Another shower in the mid-afternoon didn't scare us though. On **Saturday, July 8**, Mountain View Country Club members threw it down for the third consecutive year. 6 participants shared their favorite camp cocktails which were judged by many willing tasters. The winning cocktail was an Apricot-Mango Margarita with Jalapeño entered by Mike & Patty Kreider. (The recipe follows.)

A huge thanks goes to Linda Ely who planned the event and provided fabulous homemade strawberry shortcake! Thanks also to Wendy Parrish who helped make the evening a success. The evening was capped off with the appearance of a beautiful rainbow.

Apricot-Mango Margarita

makes 1 drink

Mix together:

- 1 1/2 ounces good tequila
- 1/2 ounce triple sec
- 1/2 ounce key lime juice (regular limes are okay)
- 1 1/2 ounces apricot puree (*see recipe below*)

Jalapeno pepper, sliced

Muddle two slices of jalapeño in a shaker.
Add ice and the above mixture.
Shake and serve.

Apricot puree:

- 1 1/4 cups apricot nectar (*Patty couldn't get the apricot nectar so she used mango, a delicious substitute!*)
- 1 6 ounce package dried apricots
- 3 tablespoons sugar

Store the puree ingredients in a heavy medium saucepan over medium heat until sugar dissolves and mixture simmers. Cover and cook until apricots soften, about 6 minutes; cool. Transfer mixture to a food processor and puree until almost smooth (some little bits will remain). Refrigerate. (Can be prepared up to 1 week in advance.)

NOTE: We hope to share the other recipes in later issues as space permits.
